

To whom it may concern,

I would like to take a moment to tell you a little about our organization and how important it is to the youth in our area. We hope that you will understand as well as agree that the program we provide is not only fun for these children, but that it also provides a much-needed activity. While we educate them with the skills needed to perform at their best, we are also teaching them teamwork and the rewards of commitment.

We are a non-profit organization that provides an extensive tackle football and cheerleading program to Yuba and Sutter County, as well as the surrounding communities. We dedicate our time to provide an outlet for these children to better spend their time participating in. We teach them to work as a team, while improving upon their physical education.

The Lindhurst Jr. Blazers exist not only because of the many dedicated volunteers who give their time to coach and provide admin support, but because of businesses or individuals like you! With you financially sponsoring our teams, to help offset the growing costs of equipment and league fees, it is possible for us to do what we do. Your support is essential to each child that wants to be involved in our program.

*"Our goal is to put them on a better path in life and to teach them that with hard work and commitment, anything is possible."*

If you have any further questions and/or concerns, please feel free to contact the Treasurer of the Lindhurst Jr. Blazers.

# SPONSORSHIP FORM

WE ARE A 501C3 NON-PROFIT ORGANIZATION,  
TAX ID # 20-8513850.

It is our goal to provide a safe and wholesome atmosphere where kids can learn the ideals of sportsmanship, scholarship and physical fitness all while having a good time. Our program stresses learning lessons beyond sports such as self-discipline, teamwork, concentration, friendship and leadership. Our safe exercises, drills and rules are there to ensure that all kids are physically and mentally prepared for cheer and the game of football. Each child is unique and develops at their own pace. We will exercise their bodies and minds in an effort to develop the skills needed in football and cheerleading, as well as day-to-day life.
